REQUEST FOR RECONSIDERATION OF PATENT TERM ADJUSTMENT

Applicant files this request to give the Office a full opportunity to reconsider the patent term adjustment (PTA) for the above-captioned patent application.

Applicant believes in good faith that the current PTA may not properly account for Applicant Delay. On November 4, 2009, Applicant filed a request for continued examination (RCE) with a response after final. On December 22, 2009, Applicant filed an Information Disclosure Statement (IDS). Applicant understands the December 22, 2009 filing may be a “supplemental reply” under 37 C.F.R. § 1.704(c)(8). However, the PTA adjustment indicated on PAIR shows no Applicant Delay for the 48 days between November 4, 2009 and December 22, 2009. If the December 22, 2009 filing is indeed a supplemental reply, then Applicant believes in good faith that the PTA should be reduced from 2276 to **2228** days.

Applicant files this request to give the Office a full opportunity for reconsideration on at least this point. Applicant believes no fees are due for this request, but authorizes the Office to charge any fees associated with this request to Deposit Account No. 132490.
